SCHOOL ELECTIONS

Voting at school is a unique civic educational experience which makes young learners to become engaged citizens. At ILS the School Elections is a much-awaited event which is held in the month of May. The campaigning starts in April and the excitement among the students is evident in their preparations. The academic year 2019-20 saw many candidates who put forth their views in the form of speeches and campaigned furiously to capitalise the votes. Voting was digitalised and the results once declared, helped in the formation of our very efficient Students Council.

ILS MUN-2019-IN SCHOOL MUN

In December 2019, ILS held its second MUN conference and around 30 students from Grade X, XI and XII participated in the conference. The students represented different countries in two Committees - DISEC (Disarmament and International Security) and ECOFIN (Economic and Financial Affairs Council).

It has been a fruitful experience for all the delegates and officials. The students gave their best performance and through a series of heated debates and negotiations, they had an opportunity to develop their public speaking, debating, teamwork and leadership skills. Moreover, participating in ILSMUN expanded the knowledge of global issues and crises faced by the world today.

Students worked with some pressing international issues from a perspective outside of the classroom- by representing the interest of a foreign country and broadening their knowledge, and difficulties and complexities of international relations. Such research based events allow the students to identify their potential and develop their life and social skills; they sharpen the analytical skills and critical thinking of young minds.

REPUBLIC DAY

India's 71st Republic Day was celebrated with great enthusiasm and pride across the school campus.

The audience were mesmerized by the soulful singing of the ILS choir. To showcase the diverse and unique culture of India, several beautiful tableaux comprising students were exhibited.

The homage paid at the 'Amar Jawan Jyoti' to commemorate the martyred and unknown brave soldiers of the Indian Armed Forces was the show stopper.

The history of India gives a glimpse into the magnanimity of its evolution and the rich heritage delineates its rich vibrant diverse traditions.

On this day every Indian heart fills up with patriotic fervor and immense love for their motherland.
